

# JAIMIN PRAJAPATI

## FRONT-END DEVELOPER

Ahmedabad, India | jigarprajapati26122003@gmail.com | +91 7567600738

### SUMMARY

Enthusiastic and detail-oriented Front-End Developer with a strong foundation in building dynamic, user-friendly web applications. Proficient in HTML, CSS, JavaScript, React.js, and Bootstrap, with experience in creating responsive and interactive UI/UX designs. Skilled in Git and GitHub for version control and collaboration. Passionate about crafting seamless digital experiences, solving complex problems, and staying updated with the latest web technologies. Eager to contribute technical expertise and creativity to an innovative team focused on delivering high-quality web solutions.

### PROJECTS

#### Interactive To-Do List Application

- Developed a dynamic to-do list web application using HTML, CSS, and JavaScript, with real-time task management features.
- Implemented user-friendly interface with intuitive design to enhance user experience and engagement.

#### Weather Forecast Application

- Built a weather application using HTML, CSS, and JavaScript, integrating real-time weather data via APIs.
- Focused on creating an interactive and visually appealing interface for users to easily access weather information.

#### Tic-Tac-Toe Game

- Designed and developed a fully functional Tic-Tac-Toe game with HTML, CSS, and JavaScript.
- Incorporated real-time game updates and win detection with dynamic, engaging user interface.

#### Dummy Application with CRUD Features and ReactJS

- Built a CRUD application using ReactJS, Firebase, JSON Server, and Axios API, demonstrating expertise in creating dynamic, reusable components.
- Developed an intuitive UI that ensures smooth navigation and full functionality for users.

#### Dog Hospital Website

- Designed a dog hospital website prototype using HTML, CSS, and Bootstrap.
- Focused on responsive layout and Bootstrap's built-in classes to create a clean, organized design that adapts to different screen sizes.

### EDUCATION

- Bachelor of Science in Computer Information Technology (BScIT)  
GLS University, Ahmedabad, Gujarat Completed: 2021 – 2023
- Higher Secondary Education (12th)  
BVD High School, Ahmedabad, Gujarat Completed: 2020

## TECHNICAL SKILLS

- Programming Languages: C, C++, Python, JavaScript
- Front-End Development: HTML, CSS, JavaScript, ReactJS, Bootstrap
- Back-End Development: Node.js (Currently learning)
- Database Management: MySQL, Firebase, MongoDB (Currently learning), JSON Server
- API Integration: Axios, Fetch, REST APIs
- Version Control: Git, GitHub
- UI/UX Design: Responsive Design, Mobile-First Design, User-Centered Design

## SOFT SKILLS

- Problem-Solving and Analytical Thinking
- Time Management and Organization
- Adaptability and Quick Learning
- Team Collaboration and Communication
- Creativity and Innovation

## CERTIFICATIONS

- CSS Master Participant | Techwar by Red & White Education | March 2024 Participated in the CSS Master competition, demonstrating advanced proficiency in CSS techniques and responsive design.

## INTERESTS

- Exploring and learning new web development technologies like Node.js, ReactJS, and MongoDB.
- Building innovative web applications with a focus on modern UI/UX design.
- Participating in coding competitions to enhance problem-solving and collaboration skills.
- Playing cricket to embrace teamwork and stay active.
- Watching movies and series to unwind and draw creative inspiration.
